

Bake off

Ready, Steady, Bake...

What you need:

- Access to a kitchen
- Recipe cards
- Enough ingredients for each bake
- Kitchen utensils
- Aprons

The challenge:

This is a fun challenge to encourage your company and seniors to get creative in the kitchen and work together to create some yummy treats or against each other to see who can make the tastiest bakes that would be judged by an impartial leader.

You can be as creative as you want and make buns, traybakes, muffins, biscuits or cakes. There is no limit or restrictions on what they can make.

If you wanted to make it even harder, you could put the young people into teams and present them with a shopping bag full of random ingredients and tell them they have to make something.

When completed, the young people could pass out left over bakes to their local community shops or houses to spread God's love.

Tips:

This would be a good opportunity to educate the young people on safe practice in the kitchen.
