

# Collaborative Colouring

Anchors / Juniors / Company / Seniors

20 minutes

Friendship

Craft

## WHAT YOU NEED

- Collaborative colouring pages
- Colouring in pens
- Large sheets of card
- Glue
- Tape

A fun colouring in activity for the whole company that can either be done in one evening or can be done over a couple of sessions as an activity between other programme pieces. The main aim of Boys' Brigade is to "advance Christ's Kingdom" and the example that Jesus set while he was here on earth was to love each other and treat others with kindness and respect. This art piece, once completed can be displayed in your BB halls to remind your young people, parents and leaders how to live as Jesus did and to be a friend to all in BB.

## INSTRUCTIONS

1. Print out the collaborative colouring worksheets from the resource hub and distribute them out with colouring pens.
2. Encourage the young people to take their time and colour in the A4 page they have been given.
3. Once everyone has completed their colouring in picture then cut around the boarder of the picture.
4. Get large sheets of card and put them together with tape and glue the pictures on to make the full picture.
5. Display at your BB halls during your sessions and send us a picture at BBNI so we can see all your hard work.
