PRAYER

Prayer is when we talk to God

We can do this silently or we can be very loud when we pray

We can pray by singing, whispering or talking normally

Prayer can be done on your own or with a group of people

Needed

- Coloured Sweets (Starburst, M&M's etc)
1. Get a leader to start by beginning in prayer
 2. Invite each child up one at a time to get a sweet, the colour of sweet represents what they need to pray for (see below)
- Green – thank God for someone in their life
 - Blue – pray for someone they know who needs help
 - Yellow – pray for their teacher, BB leaders or minister etc
 - Orange – pray for someone who is sick
 - Brown – pray for themselves
 - Purple – pray for the world around us

Finish by getting all the children to shout Amen.
