

Finger spelling challenge

British Sign Language (BSL)

What you need:

- Access to the website: <https://www.british-sign.co.uk/fingerspelling-game/>
- Projector
- Laptop
- Printed out fingerspelling sheet from the above website.

The challenge:

The first part of this challenge is to teach the young people the alphabet in sign language using the fingerspelling sheet from the above website. First get them to spell their name, then their BB company, and some other fun words to help them get used to sign language.

Once they are comfortable with this and know the alphabet, play the finger spelling game that is available on the website: www.british-sign.co.uk/fingerspelling-game/

They can play this game as individuals or in teams and they need to write the correct word down on a piece of paper and the team with the highest scores win.
