

JONAH & THE WHALES

GAME

JONAH & THE WHALES (GAME)

In the Bible, Jonah couldn't hide or run away from God - In your life you cannot hide from God.

British Bull Dog Theme

- One player (Jonah) will start as the whale in the middle of the hall. The remaining players (whales) will start at one end of the hall facing Jonah.
- The object of the game is for the Jonah's to get past the whale to safety (the other side of the hall). If a child is tagged they will become a whale. (Tag rugby tags are an option to use).
- Mark a safe area that children can not be tagged in.
- Call out, "Whales ready? Jonah's ready? Go!"
- The game continues until there are no more Jonah's left.
