

TRANSFORMATION PAPER LUMINAIRE

CRAFT

Create a triangular shaped luminaire, that is illuminated by a battery tealight.

Supplies:

- 1 template per child
- 1 LED Battery tealight
- Colouring pencils
- Glue
- Scissors

Instructions:

- Colour in the template (do not add stickers as this will impact the amount of light that gets through)
- Cut out the template along the dotted lines (be careful not to cut off the sticking tab)
- Fold along the dotted lines
- Glue the right side of the leftmost panel to form a triangle
- Using the closed template, stick the upper flaps to the inside of the box

Therefore, if anyone is in Christ, he is a new creation.

Therefore, if anyone is in Christ, he is a new creation.

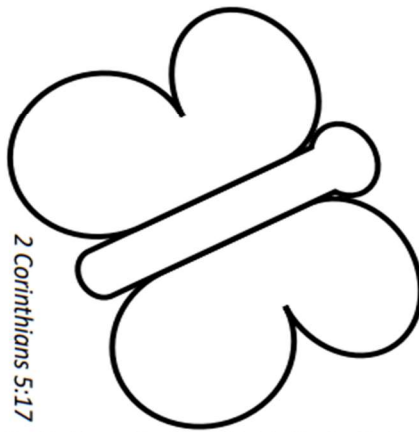

The old has passed away;

The old has passed away;

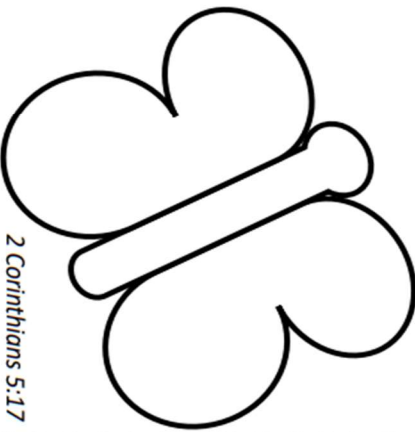

Behold, the new has come.
