

# TEASPOON

## PRAYER

Prayer is when we talk to God

We can do this silently or we can be very loud when we pray

We can pray by singing, whispering or talking normally

Prayer can be done on your own or with a group of people

Here is an example of the Teaspoon Prayer:

### **T - Thank you**

Thank you Jesus for all the fun we have had this week

### **S - Sorry**

I am sorry for any wrong things I have done this week

### **P – Please**

Please keep all my family and friends safe

Amen
